

PHONE POLICY

I understand that all cell phones will be turned off and turned into Coach Stovall / Trousdale before lights out. Phones will be plugged in, charged in coach's room, and handed back at breakfast. It is crucial that we get the best rest possible before our rounds.

All hotel rooms will have phones if the players need to contact coaches or dial 911 in an emergency. Parents can always contact Coach Stovall @ 915-328-4786 or Coach Trousdale @ 915-491-7853.
