

## UNIFORM POLICY

In accordance with YISD policy, our team is phasing in Nike brand uniforms. As this process will take some time to complete due to budgetary restrictions and apparel availability, the district is allowing team to utilize some non-Nike uniform apparel this year.

The move to Nike and an exclusive district vendor allows teams to purchase through a web-shop. This shop will only be open for a limited time and players/families are encourage to make purchases in a timely manner. Items available in the shop will include player uniform apparel as well as some fan gear. When a purchase is made, payment is due upon checkout. The team will not handle any money.
